

16" LAWNMOWERS

Available as either push or self propelled, these 16" (41cm) models feature a 50 litre mesh grass bag, durable steel cutter deck and a GCV135 Honda 4 stroke engine.

18" LAWNMOWERS

Whether you choose the self propelled or push model the HRG 465 combines manoeuvrability with a large diameter blade to cover the ground fast.

21" LAWNMOWER

This 21" (53cm) model has a powerful GCV160 Honda engine, and a 61 litre grass bag, designed to cut larger lawns.
